Subject: (SECOND NOTICE) POTENTIAL ABANDONMENT DUE

Good afternoon,

On behalf of your SPE, I am contacting you to remind you that the following applications are ready to have notices of abandonment completed and turned in for counting.

10/668,795

10/750,565 ←

The applications listed above should have showed up under the critical RED status on your examiner dashboard for two biweeks. We have contacted the attorneys handling these cases, Peter Hahn and Darrell Wong, respectively, on Aug. 31, 2007 and both have indicated that they have allowed these applications to go abandoned.

If you have any questions or are unable to complete the notice of abandonment, kindly contact your SPE.

Many thanks!
